Applicant is encouraged to explain, in detail, their project or business so Staff may make a knowledgeable determination on the CUP request. CUP applications accompanying an application for Architectural Design and Site Plan Review only need to submit one narrative letter.

Additional Materials: If the property for which this CUP is being requested is undergoing any remodel, structural additions or expansion of use than three (3) sets of plans including site plan, floor plan, and illustrative building elevations must accompany the application. If this application is accompanying an Architectural Design and Site Plan Review application than only the material requirements under that application are required to be submitted.
